Introducing Financial Advisory Service

Important Information to Customer

Malayan Banking Berhad, Singapore Branch, is licensed under the Banking Act as a Qualifying Full Bank. The Bank is an exempt financial adviser and is authorised to provide financial advisory services to its customers on:

- Collective Investment Schemes
- Life Policies, Accident and Health Policies
- Securities, Foreign Exchange, Futures
- Structured Deposits

The Bank will provide you with a list of product providers with whom it has contractual arrangements and whose products it may recommend and market to or procure on behalf of its customers.

Disclosure of Interest

Bank may receive fees/incentives/benefits (including commission/trailer fees/incentives) from the product providers for marketing or selling their products to you. The Bank may share such fees/incentives/benefits received from the product providers with the Financial Adviser Representative who services your account.

Bank may remunerate its staff for each referral made by them in respect of introducing activities. The Bank will disclose the amount of the referral remuneration paid to its staff in respect of the referral (if any) if requested by you.

Bank will disclose any potential conflict of interest to you arising from any connection to or association with any product provider.

Financial Adviser Representative's Declaration

Your Financial Adviser Representative is a representative of Bank and he/she will provide you with information on the range of services he/she is authorised to advice.

Recommendation

To allow the Bank's Financial Adviser Representative to make a suitable recommendation, provide you with a suitable financial investment advice or assess the suitability of any product, you should provide the Financial Adviser Representative with sufficient and accurate information. The information that you provide will form the basis of recommendation or advice by the Financial Adviser Representative. If you do not make complete and/or accurate disclosures in the fact find/needs analysis process, any product that is recommended and/or purchased by you may not be appropriate for your particular needs and financial situation.

For any specific product or service enquiry that the Bank's Financial Adviser Representative is not familiar with, he/she will refer you to another Financial Adviser Representative or staff who is qualified to provide the advice.

My Money Map is not to be used or considered as an offer or solicitation of an offer to buy, sell or subscribe for, any policies, investment products or securities. Bank's Financial Adviser Representatives are not liable and/or responsible for and do not guarantee the following:

- 1.1 The performance of the investment made as a result of the recommendations. Past performances of an investment can only serve as a guide and does not necessarily indicate future performance.
- 1.2 The negligence of other third parties who may be involved in assisting with completing the Money Map booklet and from whom you have received direct advice.
- 1.3 Any assumption made by the Bank that was replaced, altered, and/or modified in accordance with your instructions.

Reviews

To ensure consistency of Bank's recommendations with your investment objectives, financial situation(s) and/or particular need(s), which may vary as your individual circumstances change, please communicate any changes to the information provided (whether in this My Money Map or otherwise) on a timely basis. Review of your financial objectives and situation on a regular basis or when there are significant changes in economic conditions and/or personal circumstances is recommended. Please update the Bank's Financial Adviser Representatives with your latest information at all times.
